Course Title: Project Work

Course Code: TTMG-602 (6th Semester)

The students shall undertake a project which should include the prospective areas of Tourism and Travel Management in the study area. Based on the field survey the students shall prepare a project proposal by stating the viability of the project, fund requirement for the project, the different analyses for justifying the feasibility of the project, significance, scope, potentialities etc. The students shall have to submit a written project report as a part of the course.

Economies

Internal Assessment shall be conducted by way of a viva voce test based on the project report.

Suggested Readings
