**Date:** 07.06.2022

**Organized by:** Department of Statistics , Gargaon College

**Nature of Activity:** Extension/Outreach

**Number of Participants:** 12

## Brief report of the program

Department of Statistics Gargaon College visited 910 No. Longkak Gohain Gaon Primary School on 7th June, 2022. The teachers of the school were facilitated by gamosa on behalf of Gargaon College. The team of Gargaon College distributed learning material and light refreshment packets among the students. The students and faculties of Department of Statistics taught numeracy to the Upper Primary students and explained and trained some arithmetic skills for mental arithmetic and written arithmetic. They tried to teach them basic numeracy aptitude skill by adopting some math game, so that the young students get interest in mathematics skill. The little school children entertained the occasion by performing dance, singing melodious songs etc. Mrs. Geetanjali Sharma Head Mistress of the school offered vote of thanks to the Gargaon College fraternity.

## Rationality of the program

This study helps the students to acquire knowledge of mathematical ability and effective teaching.
