Date: 8th June, 2022

Organized by: Department of Commerce, Gargaon College in collaboration with SHAPE

Visited by: Students of Commerce department, associated schools and teacher in-charge

Number of participants: 92

Nature of Activity: Extension

Brief report of the program

The Department of Commerce in collaboration with NGO SHAPE and several associated schools, including Sarathi Junior College, Nazira HS&MP School, Dholebagan HS School, Lakya Tantia HS School, and Sivasagar Govt. HS&MP School, Sivasagar, has organized an industrial tour with the objective of mitigating the low teacher-student ratio.

The industrial tour aims to expose students to practical industrial processes and applications, which will provide them with a better understanding of their classroom studies. Additionally, the tour will give them an opportunity to interact with professionals working in various industries and gain insights into their respective fields. One of the goals of the industrial tour was to raise awareness among students about the Department of Commerce and Gargaon College. Through this initiative, the organizers hope to encourage students from these higher secondary schools to consider pursuing higher education in the Department of Commerce, Gargaon College.

The participating schools were selected based on their proximity to Gargaon College and their potential to contribute to the Department of Commerce's student population. By engaging with students from these schools, the Department of Commerce hopes to build a stronger connection with the local community and inspire young minds to pursue careers in commerce. The industrial tour is an excellent opportunity for students to expand their knowledge and skills beyond the classroom, interact with industry professionals, and gain a better understanding of the Department of Commerce and Gargaon College. Through such initiatives, the Department of Commerce can mitigate the low student teacher ratio and it can also foster a culture of learning and inspire the next generation of commerce professionals.

Rationality of the program:

The program will help the students to get a practical knowledge regarding different procedures taking place in the industry alongwith the interaction with professionals. It will also help in creating awareness for the students of associated schools in taking up commerce.

Gargaon College initiates series of programmes

OUR CORRESPONDENT

SIVASAGAR, June 8: The Department of Commerce, Gargaon College, in collaboration with an NGO, Society for Human Advancement & Promotion of Employment (SHAPE), organized an industrial tour to the District Industries & Commerce Center (DICC) Industrial Area located at Sivasagar and Dhemow on Wednesday.

The objective of the programme was to provide the students an insight regarding the internal working of companies. Industrial visits provide students much relevant practical perspective of the actual work place and give them exposure to a larger world of business by allowing them to interact with industry experts, to gain access to new learning experience, management lessons and inter personal skills enhancement. Dr Sabyasachi Mahanta, noted columnist and Principal of Gargaon College, appreciated the initiative taken by the faculty members of Commerce Department, Gargaon College for organizing such an innovative programme for enriching the skills of the students. The programme was enriched by the presence of General Manager DICC, Devajit Douri and General Secretary, SHAPE, Parag Goswami who explained the formation and operating process of the entities.

The programme aimed at helping the students combine their theoretical knowledge of business operation with the practical knowledge of its actual functioning. The event was also joined by the students from Nazira HS & MP School, Dholebagan High School, Lakwa Tantiya High School, Sibsagar HS & MP School and Sarathi Junior College, Sivasagar. The event was jointly coordinated by Assistant Professor Dr Mrinal Ghosh and Gautom Hazarika. The Assamese Department of the college, in collaboration with the Gargaon chapter of Assam Sahitya Akademi, also launched a Dibrugarh University recognized add-on course on creative writing on June 1, inaugurating the course, eminent academic, poet and Principal of the college, Dr Sabyasachi Mahanta encouraged the students to take up the course and opined that this course would help the students to hone their skills in creative writing.

Head of the Department of Assamese, Gargaon College, Nitakhi Chetia and Devajani Bakaliai, Assistant Professor, as the co-ordinators of the programme, informed that the theoretical and practical aspects of this 30-hour course would be offered in a blended mode.

A statistical survey was also successfully carried out by the Department of Statistics of the college in their adopted model village Longkak Gohain Gaon situated near Sompura on Tuesday. The programme was collaborated by the Parents-Teacher Association of the Department of Statistics. The team was led by Dr Ranjana Gupte, head of the Department of Statistics, and the students surveyed almost 82 households of the village and collected data on the benefits gained by them from various government schemes as well as from self-help groups and micro finance institutions. From the survey, the students gained information regarding various socio-economic variables of the village folk. The team visited 910 Longkak Gohain Gaon Primary School and distributed learning material and light refreshment packets among students.
