## **Report on Career Counselling Programme on “Career Opportunities in Physics and Beyond”**

**Date: 10/04/2023**

The Department of Physics in collaboration with the Career Counselling and Guidance Cell, Gargaon College organized a career counselling programme on “Career Opportunities in Physics and Beyond” on 10th April 2023. The aim of the programme was to provide guidance and information to the students of Physics about the various career options and entrance exams available after graduation and post-graduation in Physics.

The programme was attended by all the faculty members of the Department of Physics and Mr. Jayanta Sonowal, Assistant Professor, Gargaon College, who was the resource person for the session. Mr. Sonowal delivered a comprehensive and informative presentation on the different career opportunities in Physics and beyond, covering various fields such as higher education, research, teaching, banking, railway, state and central government services, social and civil services etc. He also explained the eligibility criteria, syllabus, exam pattern, preparation strategies and scope of various entrance exams such as JAM, JEST, NET, GATE, CSIR-UGC NET, IIT-JAM etc. for admission into prestigious institutions like IITs, NITs, Central Universities, IISc Bangalore, Guwahati University, Dibrugarh University etc. He also shared his own experiences and insights on how to pursue a successful career in Physics.

The students actively participated in the programme and raised many queries and doubts regarding their career choices and plans. Mr. Sonowal answered all their questions patiently and satisfactorily. He also motivated and encouraged the students to work hard and follow their passion.

The programme was very beneficial and enlightening for the students of Physics as it helped them to explore various career avenues and opportunities in Physics and beyond. The programme also enhanced their awareness and confidence about their future prospects. The programme ended with a vote of thanks by Dr. Bidyut Bikash Hazarika, faculty, Gargaon College.
