**Topic: Future Prospectives in Academics for Girls
Students**

Rationality of the Program:

To generate interest of the students toward higher studies, competitive examinations after graduation, skill development courses and other opportunities in academics, Department of Zoology, Gargaon College has organised different programmes. As part of this initiative the Department of Zoology organized a career counselling program on “Future Prospectives in Academics for Girls Students” with Mrs. Dipsikha Dutta Bhuyan, Assistant Professor, Department of Zoology, Sivasagar Girls College, Sivasagar.

Brief Report of the Program

Mrs. Dipsikha Dutta Bhuyan, Assistant Professor, Department of Zoology, Sivasagar Girls College, Sivasagar delivered a lecture on “Future Prospectives in Academics for Girls Students.” In her enlightening speech, she talked about the various fields of opportunities after graduation and the entrance examinations for higher studies and other courses after graduation and how to prepare for those examinations. She also included in her talk the various skill development courses that will help the students to succeed in their future lives. She also highlighted other various job opportunities in the public, and private sectors and self-employment through entrepreneurship.
