Date: 14th November, 2022

### Organizers:

Department of Assamese, Department of Education and Department of History

### Background/ Significance of the day:

Children's Day, also known as 'Bal Diwas', is celebrated in India on November 14 to commemorate the birth anniversary of India's first Prime Minister Jawaharlal Nehru, who advocated for children's education and rights. Jawaharlal Nehru was also popularly known as 'Chacha Nehru', for his love for children and his dedication to nurturing young minds.

### About the program/Details of the Program:

Children's Day was joyfully celebrated at Gargaon Junior Basic School, thanks to the collaborative efforts of the Department of Assamese, Department of Education, and Department of History at Gargaon College. The occasion was marked by a thoughtful gesture from the teachers and students of Gargaon College, who generously provided gifts such as books, notebooks, pens, pencils, and dusters to the children.

The young talents of the school showcased their skills in various forms, including songs, dances, recitations, and crafts. This not only entertained the audience but also highlighted the diverse talents of the students.

The event was graced by the presence of distinguished individuals from Gargaon College, including Dr. Bidyananda Barkakati (Head of the Department, Department of Education), Dr. Nitali Bargohani (Assistant Professor, Department of Education), Mrs. Nilakhi Chetia (Head of the Department, Department of Assamese), Mr. Pranab Dowarah (Associate Professor, Department of Assamese), Ms. Devajani Bakalial (Assistant Professor, Department of Assamese), Dr. Boloram Das (Assistant Professor, Department of History), and Mr. Shomkai Manham (Assistant Professor, Department of History).

This collaborative celebration not only brought joy to the children but also fostered a sense of community and shared celebration among the various departments of Gargaon College.
