Field Study/Trip of Department of Geography, Gargaon College, 2022-23

The Department of Geography undertook a captivating field study to Majuli River Island on March 21 and 22, 2023, as part of the 6th-semester dissertation work focusing on Disaster Management. Dr. Rituraj Neog led the expedition, accompanied by 43 enthusiastic students from the Department of Geography. The primary objective of this tour was to conduct a comprehensive field survey in two villages, namely Khurahola and Pohardiya, encompassing a minimum of 50 households. This hands-on experience allowed students to apply theoretical knowledge to real-world scenarios, enhancing their understanding of Disaster Management in a practical context.
