On 8th December, 2022, 11 Assam Girls (I) Coy NCC organized an awareness rally on the occasion of National Pollution Prevention Day. The objective of organizing this rally was to understand the current Scenario of Pollution. To promote consciousness about the significance of pollution control and the negative consequences of pollution. To create awareness through active participation and to promote students to think in innovative manner and to create a model to control pollution.

The day raise awareness about environmental pollution produced by industrial processes or human negligence and also commemorates the thousands of people who lost their lives in the Bhopal Gas Tragedy in 1984. Other learning involves making people aware of the significance of pollution acts. To teach people ways to prevent industrial pollution caused by human negligence.
