**National Voters Day**

## Title of the program:

# National Voters Day

Date: 25<sup>th</sup> January, 2023

## About the program:

The dept. of political science observed the national voter's day with the participation of all faculty members and students. The faculty members shared their insights on the significance of voting and the best practices to exercise their franchise during elections. They emphasized the role of voters in shaping the democracy and the responsibility of citizens to make informed choices. The students also expressed their views and asked questions to the faculty members. The event was a success and created awareness among the participants about the importance of voting.
