Report of the Meeting

Date: 19.11.2022

Time: 10:00 AM

Teachers Present: 03

Parent Representatives Present: 29

A Parent Teacher Meeting of the Department of Botany was held on 19-11-2022 in the Department room.

Welcome Address

Ms. Sangeeta Chetia, Assistant Professor, Department of Botany, extended a warm welcome to all the parents and handed over the details of the agenda to the Head of Department (HOD), Department of Botany, Dr. Dimbeshwar Das.

Agenda:

1. Welcome Address
2. Objective of the Meeting
3. Brief introduction of the department to new parent members
4. Update regarding the academic activities
5. Discussion on the various Student-centric and department-centric issues
6. Addition of new executive members to the existing Parent-Teacher Association
7. Vote of thanks

Objective of the Meeting

Ms. Sangeeta Chetia, Assistant Professor, Department of Botany, describing the objective of the meeting, she speaks about the importance of parent teacher meetings to create a better understanding between parents and teachers. The main purpose of the meeting is to create a common platform where teachers and parents come together to enrich the student's curricular and co-curricular experiences. It is necessary to notify the responsibilities with the parents for better development of the students. It is also very important to sit together to identify the areas of strength and weakness of the child and sort out ways to enhance the child's overall performance.

Update regarding academic activities

At first the teachers give a brief introduction of the course curriculum to the parents so that they get an idea about the course and also aware about the various scopes of the subject. In the meeting the parents were informed about the academic performance of the students. Parents were given feedback on their performances in the in-semester examination. The attendance of students in their classes was also revealed. The parents were asked to encourage their child to improve their studies. They were also asked to motivate their child to submit the practical and assignments on time.

Discussion on the various student-centric and department-centric issues

A great interaction was held between the teachers and the parents for the development of their children. In the meeting the teachers discussed both strengths and weaknesses of the students and also mentioned the areas of improvements related to curricular and co-curricular activities as well. The progress report shown to the parents and their suggestions were noted. The parents were also informed about the importance of field study and asked to encourage their child to participate in such programmes. They also asked to inspire their child to participate in college week activities for better development. Teacher representatives clear the doubts, questions of parents regarding areas and steps through which they improve their child for best.

Constitution of the new committee of Parent-Teacher Association

A Parent Teacher Association was constituted in the previous meeting which was reconstituted in this meeting for the betterment and development of the student performance in future.
