**REPORT ON
THE PROGRAMMES FOR
ADVANCED AND SLOW LEARNERS**

Session: 2022-23

**DEPARTMENT OF COMMERCE
GARGAON COLLEGE
SIMALUGURI-785686**

Overview

The Department of Commerce at Gargaon College has undertaken several initiatives to cater to the diversity of students studying in the department. The college believes in providing equal opportunities and resources to all the students, irrespective of their background and academic performance. Here are some of the programs and initiatives that the department has taken:

Departmental assessment of the learning levels of the students: On the very first day of the class, a programme called “Introduction of students” conducted by the respective department to assess and recognize the learners, their skills and behaviors.

All students of the department are introduced to their educators and mentor along with knowledge of discipline, programs, programme specific outcome, academics and development schemes and student-teacher support. Different techniques are employed such as

- Formative evaluation during the class, based on questions asked, class performance, internal assessment etc.
- Taking quizzes to test the previous knowledge of the students
- Surprise test
- Testing student’s comprehension skill by interaction.

These performances are used to identify the advanced learners and slow learners.

Care for Advance learner:

After identifying the advanced learners, a separate WhatsApp groups are made for them to discuss advanced problems and topics. The following methods are employed for these advanced learners.

- Developing higher order learning skills
- Seminar presentation by them for clear understanding of topic.
- Students are encouraged to refer higher reference text books, to polish their knowledge and motivated for their advanced studies
- Home assignment and projects are prepared from the Students.
- They are also encouraged to apply for different competitive examinations.
- They are also encouraged to attend webinars and workshops conducted by different colleges and universities etc.
- They are motivated to participate in seminar presentation, Poster presentation, quiz competition, debates etc.

Care for slow learner:

- Providing simplified materials
- Remedial classes and test for formative evaluation.
- Need based individual focus
- Sessions of solving problems and tutorials conducted for different mathematical topics like mathematical physics, etc.
- Lectures on building of confidence are taken; and faculty members guide weak students to come forward for discussions of problems.
- Time for reading, problems solving and experimenting are extra provided for slow learners for improvement.

The core idea of these special care programmes is to build confidence among the students to face exams, peer pressure and to be a good citizen of the society.

Mentorship Programs: The department has introduced mentorship programs for the students, which helps them to connect with the faculty members and seniors. The mentors provide guidance and support to the students in academics, career choices, and personal development.

Guest Lectures: The department invites industry experts and academicians to deliver guest lectures to the students. These lectures provide exposure to the students about the latest trends and developments in the field of commerce.

Skill Development Programs: The department conducts skill development programs to enhance the employability skills of the students. The programs focus on enhancing the communication skills, analytical skills, and problem-solving skills of the students. Add-on course on entrepreneurship, Tally, Filling of GST returns and Income tax returns etc. worth mentioning.

Internship Opportunities: The department provides internship opportunities to the students, which helps them to gain practical knowledge and experience in the field of commerce. The department has MOUs with several companies and organizations, which provide internship opportunities to the students. Internship Programme of TCS is worth mentioning in this case.

Departmental Library: Departmental libraries specialize in purchasing content around a particular discipline. The Department of Commerce library have around 400 books related to the discipline which is a great help to the departmental students. It also acts as a reference for creating teaching material for the students by the faculties.

Student Home Visit before Examination: The faculty members of the department visits the home of the students before examination to encourage them and for solving issues related to the students.

Alumni Classes: The department also invites alumni's to take classes for better understanding on topics from the figure from their age group and they can freely share their views with them which also helps in better grasping of the ideas. They also acts as role models for them to do good in their studies.

The above initiatives have helped the Department of Commerce at Gargaon College to cater to the diversity of students studying in the department. The college believes in providing a holistic education to the students, which not only focuses on academics but also on the overall development of the students. The college aims to prepare the students to become responsible citizens and contribute positively to the society.
