World Water Day, 2023

WORLD
WATER DAY
MARCH 22

Title of the program:

World Water Day, 2023

Date: 22nd March, 2023

Resource person:

Dr. Dilip Kumar Deka, Associate Professor, Gargaon College

About the program/Details of the Program:

The Department of Geography, “Gargaon College, has organized World Water Day 2023 on the theme "Accelerating Change to Solve the Water and Sanitation Crisis” on 22nd March, 2023. The programme is inaugurated by Rina Handique as guest of honour. Dr. Dilip Kumar Deka, associate professor of the Department of Geography, has delivered a talk on the availability of potable water on the planet Earth and its significance. Dr. Deka has also placed emphasis on the improvement of skills for the conservation and management of water resources for sustainable use. Dr. Rina Handique, associate professor of the Department of Zoology, talks about the cause and consequences of water pollution and its impact on human health. Dr. Handique has provided some measures as an initiative of skill development for the reduction of water pollution and conservation of water resources through the rain water harvesting method. The programme has been attended by students and faculty members of the Department of Geography at Gargaon College. The students and faculties that joined the above-mentioned programme are listed below.
