**Activity Conducted by Gargaon College to Offer  
Guidance for Competitive Examinations  
SESSION-2022-23**

## **Brief activities of career counseling and guidance cell**

Students are the future hope of a country. It is very essential to provide the right career options at the college level. Moreover, competitive examinations formulate the foundation for various civil services and also a necessary groundwork to sign up for various higher studies courses in universities or other reputed institutes situated across the globe. Gargaon College has a Career Guidance Cell to provide information to the students who plan to pursue higher studies or are keen on to qualify any competitive examinations. Career counselors from the Career Guidance Cell guide the students and support them with the right directives during their journey to be eligible for any competitive exams and enter higher studies. In addition, this cell regularly organizes Career-related workshops, webinars, popular talks, special training programs for civil service examinations, TET, PG Entrance Tests for different universities, etc inviting Resource Persons from various fields. Further, mentors discuss and advise the mentees on a one-to-one basis regarding their career-related queries. Around 171 students benefited from competitive examinations training and 644 students were provided training and development through career counseling programs during the period 1st July 2022-30th June, 2023.

Various activities conducted by the career counseling cell are attached below
