HIGHPOINTS OF THE MENTORING SESSIONS

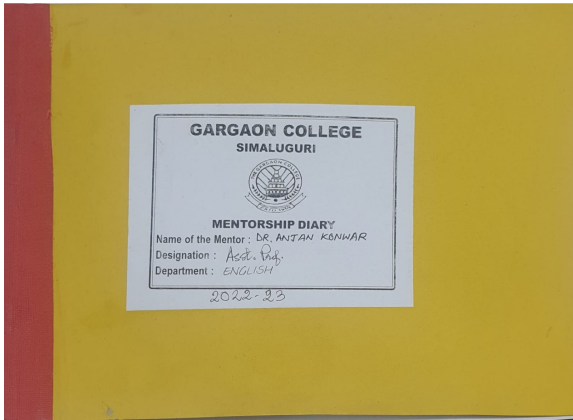

Odd semester: 2022

- The session with the fifth semester students was primarily focused on the experiences with the previous semester including their reflection on the end semester examination.
- It was also held to discuss how they would adapt to the demands of the new semester. They were further told to judiciously select their DSCs.
- Thrust was laid on the visiting the Central Library on a regular basis.
- The mentees were also asked to participate in the various co-curricular activities.
- The first semester students were urged to open up to embrace the new environment.
- They were, at the same time, asked to stay alert and careful about their academic as well as co-scholastic responsibilities.
- All the mentees across the semesters were suggested to take up adequate steps to ensure a physically as well as mentally healthy life.

Even semester:

- In this session discussion was held to explain how the mentees should prepare themselves for future activities, particularly, academic ones while focusing on developing their inter-personal associations.
- The Sixth semester students were specially asked to focus on their future course of actions keeping in view the diverse opportunities they have at their disposal
- The Fourth semester mentees were asked to reflect on their previous semester and brace for the challenges ahead.
- They were told about their alarming changes of attitude and also to gather themselves for the future activities

HIGHPOINTS OF THE MENTORING SESSIONS

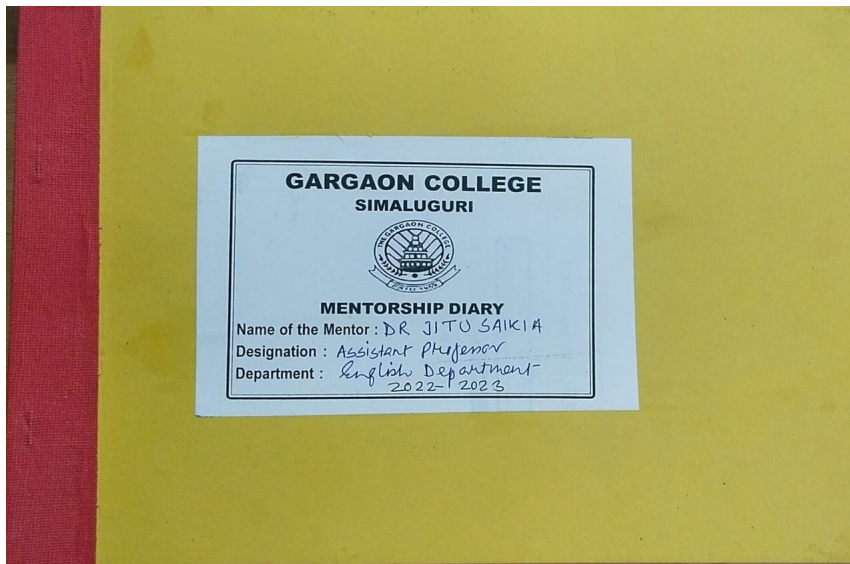

ODD SEMESTER, 2022

- Just a few days after start of the academic session, a general discussion was made with the 3rd and the 5th semester mentees giving a post-examination analysis of their previous examination.
- All the strengths and weaknesses of the examinees along with the difficulties they faced during examination were the issues give prime focus on.
- The mentees were given various tips to overcome all the possible difficulties in time to come.
- With that, after declaration of result of the end semester examinations (2nd and 4th semester) the SGPA's of the mentees were discussed and recorded in their respective report cards.
- With elapse of certain days and after allotment of mentees from the newcomers, a meeting was held with the new mentees and their individual profiles were collected.
- The new mentees were given a clear picture of the course they were undertaking and encouraged to follow the course sincerely and meaningfully.
- Additionally, discussion on any emerging issues were made from time to time encouraging and keeping the mentees tuned and regular throughout the course.

EVEN SEMESTER, 2023

- On the very first few days of the start of the even session, a general session was held along with the mentees from all the semesters. A post-exam analysis was made of their previous examination. All the issues pertaining to their examinations – their mistakes and troubles – were critically discussed and they were encouraged to keep pursuing their course with a new spirit and vigour.
- Moreover, throughout the course all the attention were given upon the mentees so that they might continue their course without any further disturbance.
- After declaration of the end semester examination (1st, 3rd & 5th semester), immediate sitting with all the mentees were given to discuss their performance. At the same time the SGPA's of the mentees were also recorded on their respective report cards.
