## OVERVIEW OF THE PROGRAMME

The department of History, Gargaon College organized an orientation programme on 5th April, 2024 especially for Post Graduate students on NET/SET cum competitive Examination. The faculty members of the department sincerely realized that such type of orientation programme should be essential for the Academic Excellencies of the students. After the successful completion of the Master degree either NET or SET should be essential for the post of Assistant Professor particularly in higher educational institutions, said by Dr. Baluram Das, head of the department as a resource person in this programme. Dr. Das also tried to provide different types of ideas and techniques for achieving the entrance examinations. He also said that hard working and dedication is only the key and way for the secret of success. Dr. Shomkai Manham a faculty member of the department also delivered his interesting speech on the topic and also given lots of information about the opportunities of govt. and private jobs. Rajendra Pegu, Dr. Parishmita Boruah and Gitalee Changmai also exchange their views with the students. After the successful completion of the programme the programme co-ordinator Dr. Shomkai Manham offered vote of thanks to the students and faculty members to make the rogramme a grand success.
