Significance of the Programme

Independence Day is celebrated annually on 15 August in commemorating the nation's independence with the usual pride to mark its freedom from British rule. The Indian Independence movement began during World War I and was led by Mohandas Karamchand Gandhi. On August 15, 1947, India got its freedom, ending an almost 200-year British rule. India's Independence Day is significant as it stands as a reminder of the sacrifices that many freedom fighters made to get independence . It is usually observed throughout the nation with the hoisting of the tricolour, parades and cultural events. India's first prime minister Jawaharlal Nehru raised the Indian national flag above the Lahori Gate of Red Fort in Delhi on August 15, 1947. It is a tradition that has since been followed by the incumbent Prime Minister, followed by an address to the country.
