

REMEDIAL CLASSES FOR SLOW LEARNERS

DEPARTMENT OF GEOLOGY

SESSION: 2023-24

Overview of the Program

Name of the Programme: Remedial classes for slow learners

Session: 2023-24

Venue: Department of Geology

Brief report of the program

The Department of Geology classifies students into two groups viz. slow learners and advanced learners. The Department offers remedial classes to the slow learners in every semester. It has a mechanism in place that analyses the differential needs of the student immediately after admission in a variety of ways based on their learning needs and their performances in class tests, sessional and end-semester examinations.
