**SESSION: 2023-24**

## Overview of the Program

**Name of the Programme:** Orientation programme on Swayam

**Resource persons:** Dr. Pankaj Kumar Nath, Librarian, and SPOC Swayam, Gargaon College

**Date:** 19. 02. 2024

**Organizer:** The Department of Zoology, Gargaon College

## Background/Significance of the program

Swayam offers a wide range of courses across various subjects and disciplines. An orientation program helps students explore these courses, understand their content, prerequisites, and learning outcomes, enabling them to make informed decisions about their academic pursuits. This orientation program attempts to ensure that students can effectively utilize Swayam for their learning needs. Some students may encounter technical challenges while using online learning platforms. An orientation program offers technical support, troubleshooting tips, and guidance on how to overcome common issues, ensuring a smooth learning experience for all students. This program provides students with an introduction to the platform, helping them understand its features, navigation, and functionalities. This ensures that students can effectively utilize online learning platforms like Swayam for their career enhancement.

## Brief report of the programme

Keeping in view about the importance of Swayam for students and teachers an orientation programme was organized entitled “Orientation programme on Swayam” by the Department of Zoology, Gargaon College on 19th February 2024, at 11 am. The programme was inaugurated by Dr. Rina Handique, Vice Principal, Gargaon College and Head, Department of Zoology, Gargaon College. In her inaugural speech she spoke on the importance of Swayam for obtaining knowledge and fulfilling the academic credentials through online mode. Dr. Pankaj Kumar Nath, Librarian, and SPOC Swayam, Gargaon College, and Resource Person of the event spoke on the importance of Swayam as a tool for skill-based learning and career upliftment. He also expressed his views on the advantages of Swayam as an effective online learning platform. Dr. Pimily Langthasa and Dr. Rashmi Dutta, Assistant Professors, Department of Zoology, also spoke on the importance of availing the Swayam for academic enhancement. The programme was concluded with a vote of thanks by Dr. Anurag Protim Das, Assistant Professor, Department of Zoology, Gargaon College. The programme was attended by 30 students of all the semesters. Two students from the 4th semester of the department have enrolled in courses in the Swayam portal and parallelly pursuing it along with the regular B. Sc. course.
