About the Program

The Department of Zoology, in collaboration with IQAC, the Department of Chemistry, Botany, and NCC, Gargaon College optimistically organized and celebrated World Water Day. Commemorated annually on March 22nd, the day serves as a poignant reminder of the indispensable role that water plays in sustaining life and fostering development. This year's theme, "Water for Prosperity and Peace," underscores the crucial link between access to clean water, economic growth, and global stability. Noted academician, Dr. Sabyasachi Mahanta, Principal of Gargaon College addressed the gathering on the significance of the day implying that Water is not merely a commodity; it is a fundamental human right. He emphasized adopting a holistic approach that integrates water management with efforts to combat poverty, inequality, and environmental degradation. To reflect on the significance of water a competition was organized. The posters showcased a remarkable display of creativity and innovation, utilizing vivid imagery, symbolism, and thought-provoking slogans to convey messages about water conservation and sustainability. The judges, Dr. Pobon Gogoi and Dr. Shyamolima Saikai, did a crucial job by interacting with each and every participant and assessed the posters on basis of originality and creativity.

Rationality of the Program

To raise awareness about the importance of water conservation, sustainable management, and equitable access to clean water. It provides a platform to advocate for urgent action to address the global water crisis.
