4	Sociology	One Day Workshop on Research Methodology

Overview of the program

Name of the Program: One day Workshop on Research Methodology

Type of Program: Workshop

Date: 5th March, 2024

Organized by: Department of Commerce, Gargaon College

Resource person: Dr. Pobon Kumar Gogoi, Associate Professor, Department of Political Science, Gargaon College

Number of Participants: 37

Objective of the Program: In a bid to enrich the research capabilities of both faculty and students, the workshop brought together participants eager to deepen their understanding of research processes, methodologies, and best practices.

Brief report of the program

In a bid to enrich the research capabilities of both faculty and students, the Department of Commerce at Gargaon College organized a comprehensive one-day workshop on research methodology. The event, held on 5th March 2024, brought together participants eager to deepen their understanding of research processes, methodologies, and best practices.

The workshop featured Dr. Pobon Kumar Gogoi, a distinguished scholar and expert in research methodologies as the Resource Person for the event. Dr. Gogoi, with his extensive experience and expertise, guided the participants through a series of enlightening sessions designed to enhance their research skills.

The workshop commenced with an engaging keynote address by Dr. Gogoi, setting the tone for the day's activities. Interactive sessions throughout the day covered a spectrum of research-related topics, ranging from formulating research questions to data analysis techniques. Participants actively participated in discussions, clarifying doubts and gaining valuable insights.

The workshop attracted a diverse audience, including faculty members and students from the Department of Commerce. This blend of seasoned educators and aspiring researchers created a vibrant atmosphere for knowledge exchange and collaboration. Attendees appreciated the tailored approach of the workshop, catering to both novice researchers and those seeking to refine their existing skills.

Continue

Dr. Gogoi, in his closing remarks, commended the enthusiasm and active participation of the attendees. The Department of Commerce reiterated its commitment to organizing more such events, aiming to foster a culture of research excellence within the college community.

Beyond the academic realm, the workshop provided a platform for networking and collaboration among participants. Attendees seized the chance to establish connections, laying the foundation for potential collaborative research projects and partnerships.

Overview of the program

Name of the Program: Workshop on Research Methodology

Type of Program: Workshop

Related to: Research Methodology

Date: 18.03.2024

Organized by: Department of History

Resource person: Dr. Shomkai Manham

Related to: Research Methodology

Number of Participants: 28

Objective of the Program: Familiarize the students with the fundamentals of research methodology

Brief report of the program

The Department of History, Gargaon College organised Research Methodology Workshop on 18th of March 2024. The aim of the workshop was to equip participants with essential skills and knowledge necessary for conducting effective research across various disciplines. The workshop drew participants from all the semesters of the department both Post Graduate and Under Graduate. The objective of the workshop was to familiarize participants with the fundamentals of research methodology, introduce various research designs and methodologies and also to provide hands-on training on research tools and techniques.

Dr. Shomkai Manham an Assistant Professor of the department served as resource persons for the workshop. His expertise and insights added significant value to the learning experience of the participants. The resource persons covered various aspects of research methodology and shared practical tips based on his own research experiences. The Workshop proved to be a highly enriching and beneficial experience for all participants. It equipped them with essential knowledge and skills required to undertake quality research in their respective fields. The workshop not only enhanced their academic capabilities but also provided them with practical tools to excel in their research endeavors.

The workshop ended with a vote of thanks from Dr. Parismita Baruah, Assistant Professor Department of History. she gave sincere gratitude to the resource persons, participants, and organizers who contributed to the success of the Workshop.

Rationality

- To familiarize participants with different research methodologies and their applications.
- To provide insights into the process of formulating research questions and hypotheses.
- To impart knowledge on various data collection and analysis techniques.
- To enable participants to critically evaluate research literature and develop a sound research design.
- To offer hands-on training in using research tools and software.
