ABOUT THE COLLEGE

One of the oldest and illustrious institutions of higher education in Assam, Gargaon College was established on 7th September 1959. With a commitment to achieve excellence in higher learning, the college has been working relentlessly for the development of the learner as well as the furtherance of social good. Dr Harendra Nath Phukan was the founder Principal of the college. The college came under the deficit-grants-in-aid system of Government of Assam in the year 1966 and had also been included under section 12 (B) and 2 (f) of UGC Act 1956 under the affiliation of Dibrugarh University. Subsequently, the college was provincialized in 1966 under the leadership of Tanu Konger, the first permanent Principal of this institution.

Located in the heart of Gargaon, the college is fourteen kilometers to the east of Sivasagar town and well connected by road and rail. The Simaluguri Railway Station lies at a distance of 2.2 kilometers from the college premises. The college has a vast green campus set in peaceful surroundings. Its verdant setting makes it an exclusive destination from the environmental and ecological point of view. About 33 numbers of bird diversity, 32 numbers of fish diversity and more than two hundred varieties of medicinal plants have been identified at the college campus. The college has also initiated an organic garden and a vermicompost project for promoting sustainable agricultural practices in the campus.

From the historical standpoint, Gargaon was the capital of the Ahom Kingdom from 1539 A.D. to 1695 A.D. During this prolonged period, 15 successive kings were crowned on the throne beginning from Siu-Klen-Miung alias Gargaya Raja to Siu-Pat Pha alias Gadadhar Singha. The Kareng Ghar, the seven storied Royal Palace of the

Ahom kings, is situated within Gargaon. In addition to this, several unique and ancient monuments have been found in the environs of Gargaon that still resonate the glory of the Ahom Kings and Assamese people of yore.

The College currently provides both Higher Secondary and Three-Year Bachelor's Degree (Major and Pass Course) courses to more than two thousand students every academic year. The College has three faculties - Arts, Science and Commerce spread over seventeen departments, viz. Assamese, Botany, Chemistry, Commerce, Economics, Education, English, Geography, Geology, History,

Mathematics, Physics, Political Science, Rural Development, Sociology, Statistics and Zoology. The curriculum followed by the College at the Degree level is the one prescribed by Dibrugarh University. For Higher Secondary (viz, Arts, Science and Commerce), the syllabus and curriculum followed is the one prescribed by the Assam Higher Secondary Education Council. Apart from this, the college also provides a one year Post Graduate Diploma in Computer Applications (*PGDCA*).

In tune with its mission of delivering quality education, the college is always open to introducing new subjects and courses for the benefit of the student community. In this direction, the college, besides its regular courses, has taken the initiative to introduce a select list of Certificate, Diploma and Vocational programmes, too. Moreover, the college, under the aegis of its career counselling and guidance cell, offers career counselling and organizes different training programmes to orient its students towards the choice of an appropriate career on the basis of their skills, weaknesses, aptitudes and strengths.

Since its establishment, the college under the adroit and pioneering guardianship of eminent educationists and teachers has been successfully fulfilling the emerging needs and challenges of the times. In fact, it has been persistently trying to improvise

its knowledge delivery mechanism and infrastructure. The College was assessed and accredited by the *National Assessment and Accreditation Council (NAAC)* for the first time in the year 2004. It was re-accredited for the second time in the year 2010. Most recently NAAC re-accredited the college with 'B-Grade' in the year 2019.

The college is committed towards growing into a center of excellence and sustaining its historical legacy to be the best by catering to all the needs of the learners, particularly those belonging to the weaker sections of the society. With such an aim in mind, the college has adopted a *Scheduled Castes* (SC) dominated village named Darika Kaibatra Gaon as a model village for the upliftment of its people in the area of education, health, etc.

Considering the social and economic backwardness of the region, Gargaon College has taken the onus of enlightening and edifying the minds of its students so that they can become exemplary citizens and contribute to the betterment of the society.

BRIEF DESCRIPTION OF SOME OF THE PROGRAMMES

International Webinar on

Ideas and Trends of Feminism, Gender Equality and Women's Movement

7th August, 2020

Organized by Department of English, Gargaon College

The Department of English Gargaon College successfully organized an International Webinar on Ideas and Trends of Feminism, Gender Equality and Women's Movement on 7th August, 2020. The Webinar was inaugurated by Dr, Sabyasachi Mahanta, Principal of Gargaon College. In his inaugural speech, Dr.Mahanta reflected on the gender issues throeing much light on the changing status of women in present times. The Webinar was graced by the virtual participation of three eminentspeakers, Dr. Upasana Mahanta, Professor and Director of Jindal Global University, Delhi, **Professor** Dr. Dipti Visuddhangkoon, Associate of Foreign Language of Mahachulalongkornrajavidyalaya, Thailand and Dr. Hemjyoti Medhi, Assistant Professor of English, Tezpur Central University. Dr. Upasana Mahanta spoke about the trends and trajectories of Women's movement where she highlighted on theissues and the problems affecting women in Indian context. The next speaker, Dr. Dipti Vishuddhangkoon highlighted on a different angle of looking at feminism by throwing light on Buddhist feminism wheras, Dr. Hemjyoti Medhi of Tezpur Central University talked about Women and the making of public sphere in Contemporary Assam. The Webinar was coordinated by Dr. Rashmi Rekha Saikia, Head and Associate Professor f Department of English and the Vote of Thanks was offered by Mrs. Shyamolima Saikia, Assistant Professor of English Gargaon College. The technical aspect of the Webinar was managed by Dr. Pankaj Kumar Nath, Librarian and Dr. Dimbeshwar Das, Assistant Professor of Botany Department Gargaon College.

Line of Amity: An Eye to India – China Boundary Resolution 13th June, 2021

Organized by the Department of Political Science in collaboration with Internal Quality Assurance Cell, Gargaon College

Resource Person – Dr. Jaideep Saikia, Eminent Author and Security Analyst Author & Security Analyst

Dr. Sabyasachi Mahanta, noted columnist and Principal of Gargaon College, delivered the welcome address of the Webinar. In his welcome address, highlighting the glorious journey of the institution he said that Gargaon college is one of the premier institutions of higher seat of learning in Upper Assam. He praised the organizer and the faculty members of department of Political Science for organizing a webinar on such a relevant topic on contemporary time. He added that such a topic would be beneficial to the students and participants to share their views and to enlighten on such a complex issue. He thanked the participants and research scholars for their active participation in the webinar and he hoped that their participation would definitely help in making the discussion fruitful. The webinar was coordinated by Mr. Yuvaraj Gogoi, Assistant Professor of Political Science Department. He gave a brief introduction and achievement of the Resource Person, invited on the occasion. Dr. Jaydeep Saikia, eminent author and security analyst spoke on the topic and illuminated with his thought provoking speech on Line of Amity, the frame of the webinar. While throwing light on the topic, he mentioned about China's military doctrine. Line of amity is included in the eastern part of China, he said. He spoke about warfare under modern conditions from Mao's People War. The Chinese aggression was a manifestation of Chinese defense. He considered it unfortunate boarder war. He added that India underestimated Chinese military strength and embarked on 'Forward Policy'. Dr. Saikia said that Nehru attempted to raise the MML issue to a legal level whereas a political solution was pragmatic. He further stated that credible forces-i-being should precede meaningful dialogue. That's why he felt that the war is ongoing. China, he said wanted to teach India a lesson. Forward policy that India has embarked on, has instill a feeling of teaching a lesson to India by China. He talked about non-delineation of LAC facilitating claims over Arunachal Pradesh despite CBMs. They fear about another forward policy or posturing for negotiations. Tibet

Autonomous region has nuclearized. He talked about dragon footprints. Summing up, he said that protracted negotiations has not made headway. Non-resolution has increased mistrust, skirmishes and standoffs. He also pointed that there is inability to solve the I-C Boundary eluding common idiom and the status quo expressing itself in increasing bilateral hostility. He felt that Line of Amity is a viable option under the circumstances. We are not going to give an inches of land, he said. He ended his speech by saying that Line of Amity is the only opening gambit in the horizon.

The webinar came to an end with the vote of thanks offered by Dr. Pobon Gogoi, Head and Associate Professor of the Department of Political Science, Gargaon College.

Topic: MS Office Workshop - Word, Excel and Power Point

Date: 15th & 16th June, 2021

Resource Person: Mr. Kaushik Hazarika, Assistant Professor, CNB Colege, Bokakhat

Organized by: IQAC, Gargaon College

A Two Day workshop on MS Office Workshop – Word, Excel and Power Point was organized by IQAC Gargaon College on June 15th & 16th 2021.

The Resource Person invited for the Workshop was Mr. Kaushik Hazarika, Assistant Professor, CNB Colege, Bokakhat. The workshop was inaugurated the Dr. Sabyasachi Mahanta, Principal of Gargaon College. In his inaugural speech outlined the importance of technology in the pandemic situation. He said that technological use has become the need of the hour. Already the education system has introduced the blended system where online teaching and learning has become an integral part of education. In the global pandemic situation online teaching and learning has already replaced the physical classroom teaching where all the classes and examinations are conducted in online in Google classroom, Zoom platform and Google platform. Dr. Mahanta urged all the students and participants to learn to use technology properly.

Dr. Surajit Saikia, Coordinator Of IQAC, and Assistant Professor of Economics Department introced the Resource person to the participants and also spoke about the importance of organizing such workshop to meet the challenge of the pandemic time in teaching Learning system.

Mr. Kaushik Hazarika, The Resource person on the Two day workshop had shown some practical and live demonstration of MS Office, Word, Excel and power point presentation. He showed how document can be created or written in Word and the change of the font, size and formatting. Demonstration was also done on Excel and its different use of spreadsheets to store, organize and track data sets with formulas and functions. He spoke about the use of Excel to organize data and perform financial analysis. As part of the workshop, Dr. Hazarika also taught through his demonstration how to create Power Point presentation step by step with slide slows. He talked about the various use of the presentation program useful in creating presentation where one can add animation, photos, videos and valuable information through slides.

The two day Workshop on M S Office was moderated by Mr. Nilutpal Chutia, Assistant Professor in the Department of Economics, Gargaon College.

The Workshop on MS Office organized by Gargaon College came to an end with the vote of thanks by Mr. Yuvaraj Gogoi, Assistant Professor of Political Science, Gargaon College.

How to appear in the Online Examination (6th Semester, 2020) Under Dibrugarh University

Date: 27th September, 2020

Resource Persons: Mr. Nilutpal Chutia, Assistant Professor, Department of Economics,
Gargaon College

Dr. Surajit Saikia, Assistant Professor, Department of Economics, Gargaon College

The webinar was organized by the IQAC College to discuss about the SOP regarding the guidelines to appear in the examination of 6th Semester B.A/BSc/B.Com Examination, 2020 in online mode. The virtual programme was organized to clear the confusions of the candidates about the procedure of online submission of the answer scripts in google classroom and offline submission and other rules associated with the examination system as framed by the Dibrugarh University. Mr. Nilutpal Chutia read out the guidelines of Dibrugarh University and discussed all the points elaborately. He guided the students how to select the questions according to the marks of the question paper. He also discussed about the time allotment for full paper and half paper. Mr. Chutia asked the students to scan the answers scripts very carefully before uploading the files in pdf in own login ID. Dr. Surajit Saikia said that the students should select a very convenient app for clear and easy scanning of the papers. Mr. Chutia said that the students should use only black pen in answering the questions. The

time limit for uploading the pdf file is thirty mins and after that no PDF will be accepted after thirty mins. After the successful submission of the pdf, the students will receive a message of successful uploading. The file name, he said should be in the registration no of the students.

The students according to the guideline should submit the hardcopy to the college within thirty mins. If a student is unable to submit to his/her college who stays in long distance in that situation he/she can submit it to the nearest examination center with sealed envelope. It is important to note that once registered in offline, they cannot appear online or change his mode of submission. Many students raised their queries and cleared their confusions which was cleared by the speaker.

Celebration of International Yoga Day, June 21, 2021

The NSS of Gargaon College in collaboration with the IQAC and Eco Campcelebrated International Yoga Day on June 21, 2021.

Inaugurating the programme of the celebration of the 7th International Yoga Day, Dr. Sabyasachi Mahanta said that Yoga has been celebrated since 2015 under the aegis of United Nations. Dr. Mahanta said that our Honorable Prime Minister Narendra Modihas delivered a speech on General Assembly, United Nations on 6th Sept, 2014 explaining the importance of Yoga. And United Nations General Assembly,2015 has decided to celebrate 21th June as International Yoga Day 2015. Yoga is the way of life. The art of practicing Yoga helps us in controlling our mind, body and soul. Yoga is the only way to keep us fit, he said. It is a key to keep our mind cool. Stating the importance of Yoga he said that Yoga has an important role to keep our body mind and soul in sound status. Dr. Mahanta appreciated the effort the NSS Programme Officer for organizing such a webinar on the day and welcomed the resource Person and the participants to the programme. With these words he officially declared the webinar open.

The Resource Person invited on the occasion, Mr. Bikas Prajapati, Director, Nav Jan Jyoti Samal, Chattishgarhhighlighted on the importance of Yoga and its necessary for keeping healthy and sound. Referring to the ancient saints, he said that how they overcome their health issues and remained fit in the past. He urged all the people to practice yoga to keep mentally and physically fit. He also enumerated the significance of celebrating Yoga day and urged all to practice Yoga in the pandemic times to stay healthy and to overcome depression.

Topic: Innovations for change and Role of Youth, Interaction

Date: 14th August, 2020

Resource Person: Dr. Uddhab Bharali

An interaction programme with Dr. Bharali on Innovations for change and Role of Youth was organized by Gargaon College in association with IQAC. In the inaugural speech, Dr. Sabysachi Mahanta welcomed all the participants and appreciated the initiaveness of the organizers for organizing the Interaction Programme which he said that it will benefit the participants in exchanging ideas and knowledge about technologies with the resource person. Speaking about Dr. Uddhab Bharali, Dr. Mahanta said that he has been working continuously for the weaker section. He praised Dr. Bharali as the Machine man whose invention has brought tremendous success with the invention of more than 100 machines. HE added that Dr.Bharali is the pride of Assam, of the nation and of the Assamese community

Speaking about the NEP, 2020, Dr. Uddbav Bharali said that the new education system has brought about a revolutionary change in the academic field. He also mentioned about the uncertainity of seeking jobs. In that situation, Dr. Bharali commented that an alternative approach can help the students in employability. Innovation, he said cannot be built or created. The scientific thought has to be ingrained in mind. He stressed on the importance of practical knowledge. The minset has to be changed. Its time to upgrade our mindset, he said. Dr. Bharli also talked about the scientific use and application of machines.

The programme ended with an interaction of the students where they put several queries to the Resource person. Dr. Surajit Saikia, IQAC Cordinator moderated the programme. The vote of thanks was offered by Dr. Pankaj Nath, Librarian, Gargaon College.

Interaction with Honourable Padma Bhusan Jahnu Barua on Cinema, Society, Art and Culture

Date: 18th August, 2020

Organized by IQAC, Gargaon College

The virtual Interaction programme was organized by Gargaon College in collaboration with Annuperana. The programme was inaugurated by Dr. Harish Chandra Mahanta, Register, Dibrugarh University. The noted columnist and Principal of Gargaon College, Dr. Sabyasachi Mahanta while addressing to the speakers and the participants thrown light on the glorius journey of the Institution and its achievements in different fields. He said that the virtual interaction with the resource person would definitely enhance the student's knowledge in the field of cinema, art and culture and help them in infusing interest in the areas.

Dr. Harish Chandra Mahanta, in his inaugural speech had thrown light on the film industry and its history and growth. In his deliberation, he maentioned about the noted film makers and their efforts in contributing to the development of the film industry.

Noted film Director, Jahnu Barua said that cinema is the most powerful form in the present world. He added that initially though the purpose of cinema was entertainment and time pass, with changing times and evolving public interests, films and cinemas are transforming into a source of information including entertainment too. If people do not look at it in depth, it is of no meaning. He said that the younger generation should relate to it and should have an indepth knowledge as an art form. Talking about Assamese cinema, the speaker said that lot of good talents are coming up in the Assamese film industry and good films are being made. Cinema deserves a lot of attention. Film has a uniquely powerful ubiquity within human culture. A good movie, he said, can entertain, educate and inspire the viewers in many ways, He urged the students to enjoy films with a positive approach.

The entire programme was coordinated by Dr. Surajit Saikia, IQAC Coordinator and Assistant Professor in the Department of Economics, Gargaon College.

Topic; Bioinformatics in Biological Science

Date: 27th August, 2020

Resource Person: Dr. Pankaj Chetis, Assistant Professor. Life Science Department, Dibrugarh University

The Department of Zoology in association with the IQAC, Gargaon College successfully organized a webinar on Application of Bioinformatics in Biological Science on 27th August, 2020. Dr. Pankaj Chetia, Assistant professor of Life Science Department, Dibrugarh University was invited as Resource person of the webinar. Dr. Sabyasachi Mahanta, Principal of Gargaon College while delivering his inaugural speech, thrown light on the glorious journey of the institution which is celebrating its Diamond Jubilee. He thanked the organizers and the Faculties of the Zoology Department for choosing an interesting and relevant topic for the webinar. The topic, he said is useful for both zoology and Biology students.

Dr. Pankaj Chetia began his speech by defining Bioinformatics as a field of science in which Biology, Zoology and Computer merged into a mixed discipline. He spoke about databases, the data that is stored in computer, that is connected to internet. He also talked about Biological Datbases, Protein Sequence Databases, NGS Data Analysis etc. Several queries were passed on to the Resource person which he responded to the participants elaborately. The programme ended with the vote of thanks offered by Ms. Pimily Langthasa, Assistant Professor, Department of Zoology, Gargoan College.

Topic – Future Education: Prospects and Challenges

Date: 7th September, 2020

Resource Person: Prof Amarjyoti Choudhury

Eminent Educationist, Former VC, Gauhati University and Assam Down Town University, Pr VC, Tezpur University

Organized by Gargaon College in association with IQAC, Gargaon College

Inaugurating the webinar on Future Education: Prospects and Challenges, Dr. Sabyasachi Mahanta, Principal of Gargaon College thrown light on the glorious history and achievement of the college

since its inception. Dr. Mahanta also mentioned that as part of the Diamond Jubilee Celebration, the webinar has been organized on the eve of Foundation Day of the college. While talking about the prospects and challenges of education, Dr.Mahanta said that the implementation of the New Education Policy would definitely bring about a sea change in higher education system. He added that NEP will implement a uniform education policy in educational field.

Throwing much light on the New Education Policy, The Speaker, Dr. Amarjyoti Chodhury said that education has four directions. Knowledge, To work, To live with society and to expand the possibilities of the students. NEP, he said, also redefined the role of the teachers. Dr. Choudhury commented that a society improve and develop through knowledge. If educational system fails to provide development to the society, it has no value at all. He stressed much on the research area. The NEP would transfer the educator sector in the country and he opined that such a change will bridge the gap and equalize the educational system with the developed countries of the world.

The webinar was moderated by Dr, Surajit Saikia, IQAC Coordinator and Assistant Professor of the Department of Economics, Gargaon College. The Vote of thanks was offered by Dr. Pankaj Kumar Nath, Librarian, Gargaon College.

Topic- Employability Skills and New Education Policy 15th September, 2020

He spoke about the medium of instruction which was given much importance in the New Education Policy 2020. Regarding the medium of instruction, he said that students can grasp properly and can feel more comfortable in the regional language. He also talked about the holistic development of individual and practicability of Skills, communication, leadership and behavioural skills. He further mentioned that there is flexibility of learning in NEP. While talking about job

employability, Mr. Goswami pointed out that competency in any fields enhances the confidents of the students. He said that co-curricular and extra-curricular activities would improve the level of achievement of students. The NEP, he said aims at selling up multi-disciplinary institutions, offering varying programmes. This will benefit students with flexibility and chance of subjects across various streams of Arts/ Science/Sports and other vocational subjects.

Dr. Surajit Saikia, IQAC Coordinator and Assistant Professor of Economics Department moderated the session and the webinar came to a close with the vote of thanks offered by him.

International Workshop Cum Training on Machine Learning for Data Analytics
Organized by Gargaon College in collaboration with Applied Geology, Dibrugarh University,
ITEE, Students Union Branch Of Melbourne, IIT, Guwahati

Resource Person: Prof. Geetartha Dutta.Department of Applied Geology,
Dibrugarh University

Dr. Pavan Harika Raavi, Postdoctoral Researcher, IBS Centre for Climate Physics, South Korea

The Geology Department of Gargaon College organized a Workshop Cum Training on Machine Learning for Data Analytics. The workshop was inaugurated by the Principal of Gargaon College, Dr. Sabyasachi Mahanata. The two day workshop covered the topics of Artificial Neural Networks and Decision Tress and Random Forests. The workshop focusses mostly on some emerging areas like Python Programming, Data Structure and Handling, Machine Learning Approaches and its application in different fields. The closing speech was delivered by Dr. Sabyasachi Mahanta, Principal of the College. Dr. Mahanta in his closing remark thanked all the participants for their active joining and appreciated the organizers for their excellent initiative for organizing such a workshop on revelant issues. The two day workshop was coordinated by the IQAC Coordinator of Gargaon College, Dr. Surajit Saikia. The two day workshop came to an end with the vote of thanks offered by the Head of the Geology Department, Gargaon College, Dr. Chandraditya Gogoi.

SPSS For Beginners

Date 21st April, 2021

Resource Person: Mr. Ajoy Kumar Chouhan

The Gargaon College in association with the IQAC organized a workshop on SPSS for Beginners. The workshop was inaugurated by Dr. Sabyasachi Mahanat, principal of Gargaon College. Dr. Surajit Saikia moderated the programme., IQAC Coordinator and Assistant Professor coordinated the workshop and moderated the entire programme. The workshop covered the areas of Qualitative and Quantitative Research. The speaker, Mr.Ajoy Chauhan also delivered the session with live demonstration on Non Parametric Test of Relationship. He demonstrated how SPSS Test of Relationship is conducted. The sessions also covered the other areas like Correlation A to Z through SPSS, Nominal Ordinal Test of Relationship, Partial Correlators. Another session was devoted to Sample Test, Independent Sample Test and Partial Sample Test.

The workshop ended with practical demonstration. The vote of thanks was offered by Dr. Surajit Saikia, Coordinator of IQAC, Gargaon College,

Interaction with Diganta Barah, IPS, DIG(Admin) Assam Police 15th June, 2021

Organized by IQAC and Career Councelling Cell, Gargaon Resource Person: Diganta Barah, I P S, D I G (Admin), Assam Police

The webinar was inaugurated by Dr. Sabyasachi Mahanata, Principal of Gargaon College. In his inaugural speech he mentioned that how the institution has been trying to impart education through virtual platform in the pandemic days. He stated that the webinar has been organized to help the students to choose their career and develop interest in civil service. While speaking about the medium, he said that language cannot be a barrier in appearing civil service examination. He said that civil service offers an attractive and challenging career. The students should not confined themselves to the traditional courses and should experience a career in Civil Service.

Speaking about his success, Mr. Diganat Barah shared his experiences and journey in the service. He told that a civil service aspirant requires a lot of hard work. He gave the participants insights into the importance of the civil service. A Civil Service career, being the hardest test is critical to plan altogether and to give the most extreme possibility of progress. Mr. Barah said that confidence building is very important in choosing a career in civil service. He also talked about the different strategies and techniques of appearing for the examination. He discussed about the syllabus and the

selection of subjects for the civil service aspirants. The session was followed by the question answer round. Mr. Barah responded to the queries put by the participants.

The vote of thanks was offered by Mr. Yuvaraj Gogoi, Assistant Professor of Political Science, Gargaon College.

Development of Research Paper

Date: 22nd June, 2021

Resource Person: Dr. Pallabi Bora, Assistant Professor, Department of Folklore. Guwahati University

Objectives: The goal of a research paper is to bring together different views, evidence and facts about a topic.

The webinar on 'Development of Research Paper' was inaugurated by Dr. Sabyasachi Mahanta, Principal of Gargaon College. The webinar focused on how to write a research paper. Dr, Sabyasachi Mahanta said that the webinar would enable the young researchers to demonstrate their expertise and improve their critical analyzing skills.

The speaker, Dr. Pallabi Bora initiated her deliberation by saying that writing paper is an integral part of the scientific research pursuits. She defined a research paper as an expanded essay that presents the researcher's own interpretation and thinking backed up by others' ideas and information. Speaking about the methological approach, she said that the methods section of a research paper provides the information by whicha study's validity is judged. The discussion part of a research paper, she added should always explain how the study has moved the reader understands of the research problem. The speaker also spoke about the steps that are involved in preparing a research paper.

The webinar ended with the vote of thanks offered by Mr. Ankur Dutta, Assistant Professor in the Department of Assamese

Bishnu Rabha Divas

20th June 2021

Organized by Department of Assamese, Gargaon College in association with Internal Quality Assurance Cell, Gargaon College

Resource Person - Hemraj Rabha

The Webinar was inaugurated by Dr. Sabyasachi Mahanta, Principal, Gargaon College. Dr. Sabyasachi Mahanta in his inaugural speech, spoke about Bishnu Rabha, a living embodiment of cultural diversity of Assam. Throwing light on the cultural figure of Assam, he said that Bishnu Rabha was a multifaceted artist and revolutionary singer of Assam. Apart from a singer, he was a poet, actor, dancer actor, music composer, playwright and a great artist. Dr.Mahanta also pointed about the active role played by Bishnu Rabha in the freedom struggle movement. He also mentioned about the contribution of the legendary figure to the cultural life of Assam. Went to Kashi for showcasing Kamrupi dance and to research classical music. He said that Rabha was praised by Sarvepalli Radhakrishnan, (Vice Chancellor) for his performance of dance based on Krishna Leela, Dasavatar and Tandava in Kashi. Further he pointed that Bishnu Rabha With his artistic and revolutionary concern, he dreamt of an egalitarian Assam. In his speech, Dr. Mahanta said that Bishnuprasad Rabha idealized Rupkonwar Jyotiprasad Agarwala and believed communalism as the way to ensure freedom. In his quest to bring true freedom for the people, had taken up arms gaining enormous popularity as a revolutionary artist. Dr. Mahanta urged the students to know about Rabha and make the best sense of Rabha and his ideology. He appreciated the imitativeness of the organizers for organizing such a webinar on the death anniversary of the cultural icon, Bishnu Rabha.

The Resource person, Mr. Hemraj Rabha spoke about the significance of the day. The speaker said that every year on his death anniversary, that is 20th June, the day is celebrated as 'Rabha Divas'. He praised the good practice of the people saying that everyone remembers his talent as an artist. Singer, lyricist, actor, music composer actor. He highlighted on the contribution of the cultural icon of Assam to different fields. Bishnu Rabha, has actively participated in the political field and was a staunch Marxist. He said creativity is the chief aim of the legend. His interest was laid on research. His songs are romantic, patriotic, religious and wrote children's song. He used very simple language

in his compositions so that the very simple people like farmers can understand his songs, he said. Bishnu Rabha, he added was an idealist. His compositions and articles reflected his utmost devotion towards Sankardeva and he believed that society can achieve peace and prosperity through Sankardeva's teaching and neo-vaishnavism. He ended his speech by stating that through his contributions to art and cultural field, he has rightfully kept the Assamese society consciousness illuminated.

On the occasion of the Bishnu Rabha Divas, Songs and instrumental music were virtually performed by the invited guests in the same platform. The webinar ended with the vote of thanks offered by Mr. Pranob Duwarah, Assistant Professor of Assamese Department, Gargaon College.

Webinar on India-China boundary issue held

Transforming LAC into 'Line of Amity' suggested

CORRESPONDENT

SIVASAGAR Jone 13: The Department of Political Science in collaboration with the Internal Quality Assessment Cell (IQAC) of Gargaon College successfully organised a national webinar on, 'Line of Amity: An Eye to India-China Boundary Resolution'.

Principal Dr Sabvasachi Mahanta of Gargaon College while inaugurating the webitur highlighted the objective of the nme. He said Gargaon College has been trying to provide food for thought for the academic community and the students at large during this time of pandemic by organising webinars on various relevant issues.

Eminent author and ational security analyst Dr Inideep Saikia was invited as the keynote speaker of the webinar. It is noteworthy that Saikia has also served the governments of India and Assam as security adviser,

including a stirrt with the National Security Council Secretariat, He was engaged Actual Control (LAC)" but in "Track-II Dialogue" with Bangladesh (2007 and 2016), Bhutan (2013), China (2002 and 2014). Issun (2016) and Myanmar (2008 and 2014) and has been an

United States in 2003 on the invitation of the US Department of State.

An alumnus of Rashtriya Military Academy, St. Stephen's College and the University of Illinois, Dr. Saikia traced the genesis of the India-China boundary problem and looked at the issue from both the perspectives of India and China. He came up with a novel concept called "Line of Amity" which is not

merely a change of nomenclature of "Line also a change of persp towards the LAC.

He suggested that the policy-making circles could consider the thought of transforming the LAC into a 'International Visitor' to the "Line of Amity" in selected

sectors.
This, according to Dr Saikia, "would have far reaching implications in that it would resolve the border stalemate and skirmishes with China to a significant

august online gathering of around 500 participants from different parts of India. He also addressed the queries of the participants with absolute candour and brilliance.
