Department of Geology

Report on Workshop on Innovative Ecosystem in Academic Institutions

Date: 09.02.2022 to 10.02.2022

Overview of the program

Name of the Seminar/conference/workshop: Innovative Ecosystem in Academic Institutions

Venue: Department of Geology, Gargaon College

Date: 09.02.2022 to 10.02.2022

Organized by: Department of Geology in collaboration with Technology Enabling Centre, Tezpur University

Nature of Activity: Workshop

Name of Resource Person: Following are the names of resource persons for the workshop

1. Prof. Partha P. Dutta, Dept. of Mechanical Engineering, Tezpur University.
2. Dr. Surajit Konwar, Assistant Professor, Dept. of Chemistry, Dibrugarh University.
3. Dr. Dipak Nath, Project Officer, Sericulture department, Assam.
4. Mr. Nilutpal Gogoi, Innovator, Dibrugarh District, Assam.

Number of Participants: 72

Brief report of the program

The Department of Geology, Gargaon College in collaboration with the Technology Enabling Centre, TU organized a two days' workshop on 'Innovation Ecosystem in Academic Institution' on 9th and 10th Feb, 2022. The workshop included science talks, working model competition on science projects.

On the first day of the workshop various innovators, entrepreneurs and domain expert spoke about commercialization opportunities and prospects of the technologies developed in academic institution. There was various talk on:

- Innovation ambiance in academic institutions
- Facilities idea validation, pre - incubation and start-up development
- Technology commercialization in present content /IP right and technology transfers

On the second day there was an idea competition to be organized on the innovative idea presentation and demonstration related to rural economy in north-east. Participation was free of charge and a final selection of three best ideas was carried out with the help of judges from the domain experts.

The program turns out to be a way motivational workshop for students. Every participant had shown noteworthy innovative ideas among which prizes were given to the top three best ideas other whereas remaining all participants were provided Participation Certificate and were encouraged to stay motivated with their encouraging innovative spirits

Rationality of the program

The workshop aimed to sensitize the youth and students about innovative thinking besides providing them with expert help to materialize their innovative ideas.

Subject: Workshop on "Innovations and Interventions: ecosystem in academic institutions"

Dear Sir,

Tezpur University has set up a Technology Enabling Centre with the support of the DST, Govt of India. The Centre is working to develop a technology enabling ecosystem in the North East region and sensitize the youth and students about innovative thinking besides providing expert help to materialize their innovative ideas.

In this direction, the Centre has planned to organize a Two-day Workshop at your College on "Innovations and Interventions: ecosystem in academic institutions" during **January, 2022**. It is expected that the student community will be enthused to think about innovative approaches by attending the Workshop. We solicit your kind association with TEC, Tezpur University, in organizing the Workshop at your college as a local Centre and request you to **facilitate 5 to 10 interested students / faculty members from 3 to 4 nearby colleges**. The maximum range of degree level student participants is limited to 80.

Innovators, entrepreneurs, and domain experts will be speaking on the first day of the Workshop. We plan to encourage the students to display their innovative ideas/process/products at the Idea Competition to be organized on the second day of the Workshop. The displayed items will be judged by experts in the domain. Students participating till the end will be given certificates of participation. Few ideas will be selected for further mentoring by the TEC-Tezpur University.

A line in confirmation from your end will help to plan the event. The guideline for conducting the workshop is attached for your reference. Subject to your acceptance, we request you to kindly depute a **coordinator from your college** so that the TEC representative can coordinate to organize the event as a joint Workshop. Expenditures toward working lunch, remuneration for experts, local TA for experts etc., will be born by DST-TEC/TU as per GFR- 2017 rule. **The UC for the expenditure will be provided by the college principal in standard format on the 2nd day of the programme**. The GST bills for expenditure will be **jointly signed by the principal and faculty representative** from Tezpur University.

Warm Regards,

Dr. Nirmali Gogoi and Dr. Shobhanjana Kalita
Representative, Technology Enabling Centre,(DST, Govt of India) of Tezpur University

Subject: Invitation for two days workshop on "Innovation Ecosystem in Academic Institutions."

Dear Madam/Sir,

I would like to bring to your notice that the Gargaon College in collaboration with Technology Enabling Centre, Tezpur University is organising a two days workshop on "Innovation Ecosystem in Academic Institutions" on 9th and 10th February, 2022. The workshop includes Science talks, Working Model Competition on Science Projects as well as lunch facilities on both the days. In this regard, I would like to request the kind participation of the esteemed faculty members as well as students from your school.

I also request you to ensure your students' participation in the Working Model Competition on Science Projects to be held on 10th February, 2022. The Participation Certificates shall be given to all the participants and prizes will be awarded to the best three Working Models. Kindly note that maximum of two students shall be allowed in one group. The registration link for participation in the workshop (to be open from 28th to 30th January, 2022) is given below:

Sub: Acceptance letter for the proposed workshop on "Innovations and Interventions: Ecosystem in Academic Institutions"

Dear Dr. Gogoi,

With reference to your mail dated 16th Dec 2021, we have accepted to organize the said workshop on 24th and 25th January, 2022. The necessary arrangements pertaining to communication with the resource persons and participants have already been initiated. We, therefore, request you kindly to do the needful for organizing the same.

Further, Dr. Chandraditya Gogoi, Assistant Professor, Department of Geology has been entrusted with the task of coordinating the program.

Thanking you.

Yours cordially

of this land, for its people

Two days' workshop in Gargaon College concludes

OUR CORRESPONDENT
SIVASAGAR, Feb 10: Technology Enabling Centre, Tezpur University successfully organized a two days' workshop on 'Innovation Ecosystem in Academic Institutions' in collaboration with Gargaon College and Institution's Innovation Council, Tezpur University at Gargaon College on February 9 and 10.

The workshop was inaugurated by the Principal of Gargaon College, Dr Sahyasachi Mahanta. In his inaugural address, Dr Mahanta spoke about the importance of technological innovation for the teaching-learning process and our society at large. He also highlighted how the New Education Policy (NEP) 2020 has emphasized the practical applicability of knowledge. Dr Mahanta highly praised the organizers and the collaborating institutions

saying that such programmes would surely give a fillip to the students and the faculty members in inculcating the spirit of innovative thinking.

This was followed by a talk delivered by the chief co-ordinator of the Programme and Assistant Professor of the Environmental Science Department, Tezpur University, Dr Nirmali Gogoi who busted several myths concerning technological innovation. She said that anybody can be an innovator provided one has the earnest desire for it. The inaugural session was attended by Dr Subhanjana Kalita, Assistant Professor of Tezpur University and various invited resource persons, faculty members and the students of the college and other participating educational institutions.

The first technical session of the Day 1 of the workshop was chaired by Dr Ranjana Gogoi, the

Head of the Department of Statistics, Gargaon College, Prof Partha Pratim Dutta of Tezpur University gave an online lecture wherein he

spoke at length about how to create a convenient ambience for technological innovation in academic institutions. Dr Surajit Konwer, Assistant Professor of the Department of Chemistry, Dibrugarh University gave another enthralling talk on the problems of Arsenic and Fluoride contamination of water. Dr Konwer, an alumnus of the host institution, Gargaon College also pointed out various steps to prevent such contamination in lucid terms intelligible to all and sundry.

Another interesting lecture was made by Dr Dipak Nath, Project Officer, Sericulture on the sericulture technology and its economic prospects. The second technical session of Day 1, chaired by Dr Dilip Kumar Deka, Associate Professor, Department of Geography, Gargaon College, unveiled a fascinating interactive session with a bunch of promising young innovators and entrepreneurs like Nilutpal Gogoi, Ichanglaw Baruah and Rashmi Chetia.

Day 2 of the workshop showcased a science project model

competition. Around 40 students from different educational institutions took part in this event. In the senior category, Ankur Gogoi and Apurajita Baruah of Gargaon College bagged the first prize and the second position was shared by Trinayan Jyoti Boruah, Deepshikha Kalita, Kiron Saikia, Subhajoyi Gohain, Bimisha Buragohain and Shyamal Baruah (Gargaon College). In the junior category, Ghanabhati Gogoi of DPS Nazira clinched the first position. The second position was shared by Archi Chetia and Mrinmay Saikia (Bidyabhan, Dimul) and the third prize was received by Priyadarshini Duarah and Jilmi Mech (Bidyabhan, Dimul).

The two days' workshop came to a successful end with a valedictory session attended by the Principal, Dr Sahyasachi Mahanta, Vice-principal Dr Rina Handique and other dignitaries.
