Rationality of the Programme

The career counseling programme organized by the Department of Physics aimed to provide guidance and information to students for pursuing higher education in physics from various reputed institutions in the country.

Brief Description of the Programme

The Department of Physics conducted a career counseling programme on higher studies in physics on 10th February 2022. The department's faculty members shared their valuable insights and guidance on how to prepare for different courses and institutions. Some of the institutions and courses that were discussed in the programme are IITs, NITs, Central University, IISc Bangalore, Guwahati University and Dibrugarh University for M.Sc., M.Tech., Ph.D. and integrated courses in physics; Tezpur University, Rajasthan University, Assam University, Hyderabad University and other central universities for M.Sc. and Ph.D. courses in physics. The programme also highlighted the career prospects and opportunities for the students who complete these courses in various fields such as academia, research, industry, government and private sectors. The students were encouraged to ask questions and clarify their doubts during the programme. The programme was well-received by the students and was a fruitful initiative by the Department of Physics.
