Overview of the Programme

Oil sector industries both government and private in India generate huge employment opportunities in different branches. However, very limited numbers of youth have the information about the criteria and eligibility. To make the students aware about the job opportunities in OIL sector industries this particular webinar was organized.

Dr. Kajal Saikia, G.M. (HRD), Numaligarh Refinery Ltd. delivered speech on the prospect of employment opportunities in the OIL sector industries. Around 300 students have benefited from this programme.

Career in Oil and Gas Industry

Career opportunities

- ITIs and diploma holders,
- Graduates and post graduates in various disciplines
- Engineering graduates
- MBAs and Chartered/Cost Accountants.

Against the approximate figure of one lakh people employed in the Oil and Natural Gas Industry in India , there are lakhs of persons engaged by the associated companies and outsourced agencies .

But above all, there are millions of opportunities for people who are having entrepreneurial abilities in them.

Oil PSUs also take candidates from various streams for one year apprenticeship training under the Apprentices Act,1961.
