Rationality of the Programme

One of the main purposes of organizing this career counselling programme is to provide comprehensive advice on careers, courses and jobs that will enable the students to choose their career in future. The programme intended to develop some problem-solving skills which can help them to deal with issues surrounding their future career. The programme also aimed at providing knowledge among the students about how to deal with psychological and emotional issues.

Brief Description of the Programme

The Department of Education, Gargaon College organized a career counseling programme for students of both undergraduate and postgraduate levels on 10th April 2023. Porishmita Kakoty and Kongona Borah were invited as resource persons for the programme. The programme was inaugurated by Dr. Bidyananda Borkakoty, Head of the Department of Education, Gargaon College. Resource person Kongona Borah in her deliberation highlighted the strategies of preparation for NET (National Eligibility Test) and SLET (State Level Eligibility Test) which can make them qualified for the job of Assistant Professor at various Colleges at the national and state level. In her speech, she also focused on how to take preparation for the CUET (Common University Entrance Test) so that the students can be admitted to the universities according to their choice. Resource Person Porishmita Kakoty in her deliberation focused on how to deal with psychological and emotional barriers arising in their path to future career. The programme ended with a vote of thanks offered by Dr. Poly Konwar, Assistant Professor of the Department of Education.
