### 5.1.2 Capacity Development and Skills Enhancement activities taken by the institution include

- **Soft Skills:** For the overall development of the students, teachers and non-teaching staff of the college, the IQAC, academic departments and different cells of the college have undertaken different skill development initiatives at the college. Soft skills include interpersonal (people) skills, communication skills, listening skills, time management, problem-solving, leadership and empathy.
- **Language and Communication Skills:** There are four language and communication skills: listening, speaking, reading and writing. These four skills of language allow an individual to comprehend and produce spoken language for proper and effective interpersonal communication.
- **Life Skills:** Life skills are defined as a group of psychosocial competencies and interpersonal skills that help people make informed decisions, solve problems, think critically and creatively, communicate effectively, build healthy relationships, empathize with others and manage their lives in a healthy and productive manner.
- **Awareness of Trends in Technology:** Computer skills, also called computer literacy, is a term referring to the knowledge and ability to use the computer and new technology. Different programs have been organized to enhance the computing skills of the students.
