GARGAON COLLEGE

ART & CRAFT TRAINING

About the Art & Craft Training Program:

On 10th February, 2022, the NSS unit of Gargaon College organized an art and craft training for the children of Lonkak Gohain Gaon, the adopted village. The aim of the training was to impart skills and knowledge on making creative and useful items from newspapers, polythene bags and other waste materials. The training also aimed to promote environmental awareness and recycling among the children.

The training was a success and a rewarding experience for both the volunteers and the children. The volunteers evaluated the performance of the children and selected the best group based on their skills and originality. The best group was awarded with certificates and prizes. The volunteers also distributed snacks and refreshments to all the children. The children expressed their gratitude and appreciation to the volunteers for conducting the training. They also requested for more such trainings in the future.

The art and craft training was a commendable initiative by the NSS unit of Gargaon College. It not only enhanced the skills and confidence of the children, but also fostered a sense of social responsibility and community service among the volunteers.
