CULTURAL RALLY REPORT

Department of Physics
Session: 2023-24

OVERVIEW

The theme for the 2024 Cultural Rally of the Physics Department was "Ankiya Nat Anupam," which translates to "the beauty of Ankiya Nats." It showcased six Ankiya Nats composed by the saint Srimanta Sankardev: "Patni Prashad," "Kaliya Daman," "Keli Gopal," "Rukmini Haran," "Parijat Haran," and "Ram Biyai." The main aim was to highlight the rich Sattriya heritage and culture of Assam. The Sattras of Assam were focal points of the Nava-Vaishnav, with Sankardev and his disciples playing a major role in spreading Krishna Bhakti in the region. Sankardev authored numerous beautiful songs and plays based on Krishna Bhakti, with his dance forms eventually evolving into the Sattriya dance, now recognized as one of India's eight classical dance forms.
