Department of Sociology
Session: 2023-24

OVERVIEW

During the College Week of the 2023-2024 academic year, the Sociology department students displayed remarkable enthusiasm and active participation in a variety of events. Both individual and group efforts were notable across activities including Cultural Rally, Football, Volleyball, Kabaddi, and Cricket. Among these, the Cultural Rally was a highlight, showcasing the students' creativity and cultural insights. The rally featured various thematic presentations, and one standout was the theme "Relevance of Diwali in Shri Ramchandra's Life," which secured the second prize for its profound historical and cultural significance.

The Cultural Rally team's presentation on "Relevance of Diwali in Shri Ramchandra's Life" captured the essence of the festival's origins and its profound impact on Indian cultural traditions. The team meticulously depicted the narrative of Lord Rama's return to Ayodhya after a 14-year exile and his victory over the demon king Ravana, which is commemorated by the festival of Diwali. Through vivid displays, dramatic reenactments, and articulate commentary, the students illustrated how Diwali symbolizes the triumph of good over evil and light over darkness, reflecting broader societal values. The team's insightful portrayal not only enlightened the audience on the historical context but also emphasized the enduring relevance of these themes in contemporary life, earning them a well-deserved second prize.
