About The Program

On the occasion of Gandhi Jayanti on 2nd October 2019, the NSS Unit of Gargaon College organized an extensive cleanliness drive in the areas of Balighat, Borduwarmukh, and Simaluguri. This initiative was undertaken in collaboration with the Simaluguri Police and the Municipality Board, reflecting a joint effort to honor Mahatma Gandhi's vision of a clean and hygienic India. The event kicked off with a rally, which saw enthusiastic participation from all the volunteers. The rally commenced from Simaluguri Town and proceeded towards Balighat Tiniali, Nazira. The march was not limited to just the NSS volunteers; it also included numerous Self-Help Groups, the Municipality Board members, and local residents of Simaluguri. The collective movement through the town not only highlighted the importance of cleanliness but also fostered a sense of community and shared responsibility among the participants.

In addition to the rally and the external cleanliness drive, the NSS unit, in collaboration with the Gargaon College Students Union, also organized a cleanliness drive within the college campus. This internal effort ensured that the spirit of cleanliness and hygiene was also promoted among the students and staff of the college. The activities within the college campus involved cleaning various sections of the campus, including classrooms, corridors, and common areas, thereby setting an example for maintaining a clean environment within educational institutions.

The combined efforts of the NSS Unit, the college students, the Simaluguri Police, the Municipality Board, and the Self-Help Groups on this significant day underscored the importance of community participation in achieving the goal of a clean and green environment.
