NATIONAL VOTERS DAY

25 JANUARY, 2022

NATIONAL VOTERS DAY

Brief description of the programme :

Voting is one of a citizen's most significant responsibilities. One way for people to demonstrate their patriotism for their nation is by voting. People can express their thoughts and tell their government what they want by casting a ballot. Voters contribute to the maintenance of a democratic government in their nation. Voting is another way to demonstrate support for the military and all the sacrifices it has made for our nation. The armed forces defend our freedom, and we need to be appreciative of all they accomplish. The veterans who have previously defended our nation deserve our gratitude as well. They enabled us to take advantage of the freedoms we have today. Even if we don't believe your vote will matter, it's still necessary to cast a ballot. Your voice deserves to be heard, and every vote counts. Our government will more truly represent the wishes of the people as more people vote. The freedom to vote is one of the most significant liberties that people can enjoy in any democracy. This is so because voting—the primary means through which citizens interact with their government—is the cornerstone of democracy. Voters effectively relinquish their right to influence how their nation is governed when they choose not to cast a ballot.

The Department of Political science Gargaon college in collaboration with IQAC Gargaon College organized a special programme to mark the National Voters Day on 25th January 2022. The purpose behind organizing the programme was to raise awareness about importance of voting rights and to commemorate the foundation day of the Election Commission of India. Noted academician and Principal of Gargaon College, Dr. Sabyasachi Mahanta, appreciated the effort of the organizers. The District Election Officer, Sujata Gogoi was also present during the event and spoke on the importance of casting vote for the wellbeing of the nation. Abdul Malik Saikia, Associate Professor, Dept. of Political Science, spoke about the importance of National Voters Day. Another faculty member of the department, Dr. Ramananda Das, Associate Professor, Dept. of Political Science, urged the students to exercise their voting rights for betterment of the Indian democracy. On the eve of the programme a poster competition was organized to create awareness about the theme. The competition was actively participated by around 30 students.
