POLITICAL PARTICIPATION OF GIRL STUDENT

Session 2023-2024

Introduction

The term ‘political participation’ has a very broad meaning. It is not only related to ‘the right to vote’, but at the same time relates to: decision-making processes, political activism, political consciousness and so on.

Every year, elections are held to form the Students' Union of Gargaon College. All students participated in the election. In addition, students are given equal rights to contest for all posts like President, Vice-President, Secretary, Games and Sports Secretary, Major games Secretary, Minor games Secretary, Music Secretary, Debating Secretary, Literature and Magazine Secretary, Social Service Secretary, Girl's Common Room Secretary, Cultural Secretary etc. Political activism and voting are the strongest areas of women’s political participation.

Gargaon College has been holding student union elections every year to raise political awareness to fight against gender discrimination in politics. Below is a sample of the winners of the Gargaon College Student Union Election.
