ON SELF-DEFENCE FOR GIRL
STUDENTS**

**14th - 24th December
2021**

The Rationality of the Programme

Indian Penal Code has listed so many crimes against women that includes rape, sexual assault, insult to modesty, kidnapping, abduction, cruelty by an intimate partner or relatives, trafficking etc. Quoting data from the University Grants Commission (UGC), Union Minister of State for human resource development Satya Pal Singh, in a written reply, said 149 cases of sexual harassment were reported from universities and 39 cases from colleges and other institutions in 2017. In 2016, 94 such cases were reported from universities and 18 from colleges and institutions. (<https://www.hindustantimes.com/education/50-increase-in-sexual-harassment-cases-on-campus-in-2017-ugc-data/storyVTuTtYPBebfIT9RXIGAwTK.html>). By keeping in view the importance of self-defence training the Women's Study Centre, Gargaon College in collaboration with IQAC, Gargaon College and All India Karate-Do Federation, Sivasagar organised A Ten-Day Training Programme on Self-Defence for Girl Students from 14th to 24th December, 2021. It is expected that Life skill programmes like Self-Defence Training will definitely help the girl students to be more aware of their surroundings and be prepared for the unexpected at any time.
