

গড়গাঁও মহাবিদ্যালয়  
GARGAON COLLEGE

**VOLLEYBALL**  
**COACHING FOR GIRL**  
**STUDENT**  
**2021-22**

## About the Centre

Volleyball brings the student community together to play and learn and offers the opportunity to create lifelong friendships and bonds. From character building skills such as leadership, teamwork, respect and communication to the physical benefits of staying healthy and active, here are some of the things anyone can expect to gain by playing volleyball. By keeping in view the importance of volleyball Gargaon College has started a free Volleyball Coaching Centre for the student community as a whole. The Gargaon College Volleyball Coaching Centre plays a vital role in providing free volleyball coaching to the Girls separately. Under the coaching of Mr Pinku Borgohain (National Volleyball Player), around 40 numbers of girls' students have been trained during the academic session 2021-22. The Coaching Centre not only provides volleyball training to the students, but the Centre extends support to the college in campus cleaning, plantation etc.
