Project Gyanjatra

2023-24

Department of Zoology
Gargaon College
Simaluguri, Sivasagar

Overview of the Programme

The IQAC, Gargaon College initiated a project named 'Gyanyatra' in 2023. Under this initiative, the college plans to create a platform to render support to schools and underprivileged students in the sphere of education and allied areas. Under this programme, the college has already adopted several schools and has carried out classes, plantation drives etc. This programme shall benefit students up to the higher secondary level. To make this project successful, volunteering support of teachers, students, alumni and all well-wishers shall play a crucial role. It is hoped that in this project, the needy students and schools shall not be the only ones to be assisted but every individual volunteering for the programme shall be enriched in some way by this noble initiative. Under this initiatives student from Department of Zoology, Gargaon College also participated in this programme. Details of the students engagement in project Gyanjatra are given below-
