**Overview of the programme**

Career Counseling Cell, PG Committee, IQAC, Gargaon College organized a UGC NET Coursing for the students of the MA Programme. The objectives of this program are to

- (i) Equip students with the knowledge and skills necessary to pass the UGC NET
- (ii) enhance the academic and research capabilities of students
- (iii) provide guidance and resources for effective preparation.

The coaching program is structured to run for one month, with classes held six days a week. Each session lasts for one hour, combining both lectures and interactive sessions. The coaching program is conducted by experienced faculty members from the college. The faculty members are selected based on their expertise and teaching experience. Students receive comprehensive study materials, practice question papers and mock tests, online resources, and e-learning modules.
