GARGAON COLLEGE

GYANYATRA

Session: 2023-24

Date: 09. 03. 2024

***Organized by
Department of Physics
Gargaon College***

Overview of the Program

Name of the Programme: Gyanyatra

Objective: To impart lessons on electricity to the students of 7th and 8th Standards

Resource Persons: Mr. Bhargav Borgohain, student of 4th semester

Visiting place: Hajee Ossimuddin Mission Academy, Sonari

Date: 09 March, 2024

Venue: Department of Physics

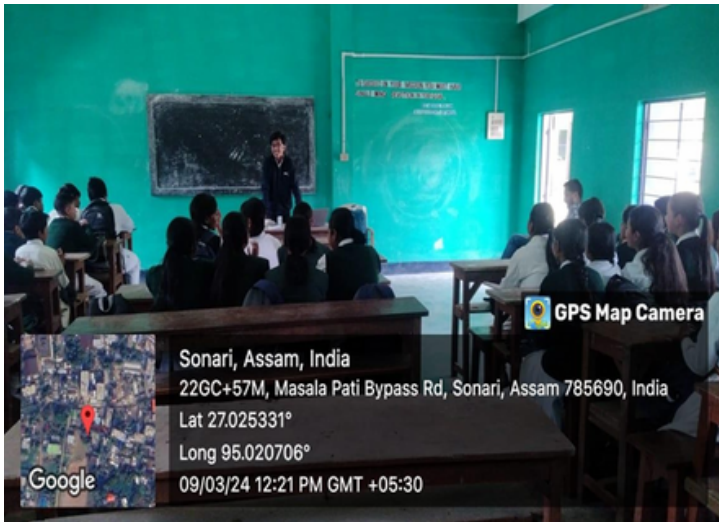

Brief report of the program

The Gyanyatra project was initiated by the IQAC, Gargaon College, with an aim to provide educational support to the underprivileged students of schools situated in remote areas. As a part of the programme, the department of Physics organized a teaching programme on March 9, 2024. Mr. Bhargav Borgohain, a student of 4th semester of the department, decided to impart a class in his alma mater, Hajee Ossimuddin Mission Academy, situated at Sonari. He was accompanied by Mr. Guna Kanta Sonowal and Dr. Bidyut Bikash Hazarika, faculty members of the department. After a brief introduction by the Principal of the Academy to the students assembled, the reigns were handed over to Mr. Bhargav. The students present were of standards 7 and 8.

Mr. Bhargav imparted the lecture on electricity and its generation and propagation in a conducting medium. He started with an introduction to electron orbits and finally arrived at the Ohm's law. He also introduced the students to resistance box and rheostat. The class finally ended with some motivational words by Mr. Guna Kanta Sonowal
