Capacity Building and Skill Enhancement Programme

Gargaon College has launched several comprehensive skill development programs in partnership with esteemed organizations. This initiative is designed to equip students with a diverse set of skills, preparing them for the challenges of the modern workforce and fostering a lifelong journey of learning and personal growth. Through this program, Gargaon College aims to empower individuals to unlock their full potential and thrive in their chosen careers. These programs cover all students and many programs are held especially focused on women. Below is an overview of them.
