Meeting with the HODS. 11/06/2020 The emergency meeting was convened to discuss impt. matter concerning the coming admission procedure into various programmes in the allege. The meeting was chained by the Principal, Dr.S. peahanta. At me start of the meeting a minute of silence was maintained as a mark of respect to the our belowed departed soul late. Binod gogoi. He informed ne meeting about ne different steps mat have already been adopted by the gout, and other concerned depts, including common admission form, date q admission, software development to a reduce in chances of multiple admission toto different colleges etc the sought an agreement to annouse the date duign later occasion, the has informed mat from this ression H.S. Section in the college must be resumed reasener, mere must be a minimum number of 50 in each stream to start The same. The process of admission into H.S. should begin from Monday next. a falling about the increase of wook load, the Principal said that more must be a judicion amount of workload and if needed new teachers would be appointed to handle the H.S. classes. He appealed for sacrifice and

co-operation to resume the H.S. classes, Da. B. Nath insisted that the process should be started immediately so that the meritarious students can be tapped. Second teachen Like Ranjit Dutta, Dr. K. C. Gogoi etc. app acquested that a minimum percentage should be fixed. As for as non-hons. is concerned it would remain intact. DSC / GE in Assamere would be armaned, geography too made a similar appeal. The President requested the HOD, Physics to keep more students. He further informed the meeting about the post-covid teaching plan and expressed his view to start a blog/e library in each of the departments. The trachers are acquested to produce 25% e-content/resources in each of the paper congress the students. The A for the greater benefit of the students. The contents should not be nearly long. The matter can be of 10-15 minutes. The contents has should be main developed for the 1st/3rd and sh Sem within 15th the next two months, the contents can be either in audio mode or video mode which will be kept in the (a -repositiony) archieve
