

Institutional Efforts and Initiatives in providing an inclusive environment

Institutional initiatives for an inclusive environment

Gargaon College has been actively working towards creating an inclusive environment for its students and staff. Some initiatives are-

1. The campus has facilities that are accessible to everyone, including those with physical disabilities. These include ramps, accessible restrooms and wheelchair.
2. There is diverse content included into the curriculum to reflect different cultures, identities, and experiences. Diversity of contents help students from various backgrounds feel represented and valued.
3. The college provides counselling and support services for students from marginalized communities. These include academic advising and mentorship programs.
4. The college offers scholarships and additional financial assistance to students from economically disadvantaged backgrounds to help them pursue their education.
5. Workshops and training sessions on diversity, equity, and inclusion are conducted from time to time.
6. There is active student union body with student representatives dealing with and placing any issue faced by the students. Further each department has its own student forum.
7. Various cultural, regional and linguistic events and activities are celebrated fostering an environment of mutual respect and understanding.
8. Various programmes are organised at college to remind the faculties about the constitutional obligations.
9. Various courses are provided in curriculum which reminds the students about values, rights and duties as a responsible citizen.
10. Various initiatives are taken from time to time to remind our responsibilities towards environment and make our environment clean and green.
