## STUDENT DEVELOPMENT STRATEGIES

### Medical Facilities for the Students

Gargaon College is committed to ensuring the health and safety of everyone on campus. The college has established a well-equipped first aid facility to promptly address any medical emergencies or minor injuries. As part of its health care facility, the college has a medical room for the staff and students and two doctors are on call to attend to any need of medical attention.

#### **Location and Accessibility:**

The first aid facility is located inside the administration building for easy accessibility to all students, faculty, and staff. It is strategically placed to ensure quick response times in case of emergencies.

#### **Basic Medical Supplies:**

The facility is stocked with essential medical supplies such as bandages, antiseptics, pain relievers, and basic medical equipment. Wheelchairs are also available in the college to assist the needy. In case of emergencies, the patient student is taken to the nearby hospital for essential medical care and support. Apart from these, every department has first aid kit box.

#### **Blood donation camps:**

Gargaon College organises blood donation camps from time to time with the help of local medical authorities. The teaching, non-teaching staff donates blood.

#### **Donation to poor students for medical treatment:**

Gargaon college has a special fund in its annual budget for medical support of poor students. Apart from this, the teaching and non-teaching staff of the college donates money to poor students for medical treatment from time to time.
